In Attendance: Lyndsey Henderson, Sundi Brown, Traci Siriprathane, Lori Taylor, Stacey, Annette Cottle, guest Herb Basso

Reviewed last December's meeting minutes. Everything is in order.

Reviewed Profit & Loss for December as well as the year-end report as prepared by Traci. Everything is in order, and no request for funds.

Annette begins the meeting and asks that Herb Bosso from St. George be allowed to address us first. He presents several new ideas to the board. He would like to bring the Spring Opener and the Fall Closer back to the St. George area. He now represents Santa Clara county and they have facilities and resources to provide for the tournaments. They have access to the SandHallow amenities. Santa Clara is a few miles west of St. George. He also presents the idea of running a Best of the West invitational tournament next year, and asks if we would support him inviting our top sand players to compete.

We need to discuss the Tournament Director's meeting that is coming up in February. Are we prepared? We need to change the meeting date and some of the assignments. We all need to look through the handbook to make any last minute preparations. Sundi will talk about the new sand series and the double A grass division. Stacy will talk about bad weather.

Lori will update the website with the new T-Shirt contest information. We need to make sure we order the right sizes this year.

Lon needs to get information ready for the 2008 Net Set-Up clinic.

Next meeting will be Monday, February 11th at 9:00AM.

Tournament Director's Meeting will be held at Westminster College at noon on February 20th.
