Venture Festival – Annette and Traci will go out and run the program for UOVA. Will take place on Saturday, June 16<sup>th</sup>.

Dave Richards request 8 volleyballs to give out as prizes at his UVSC tournament. It is accepted by the board. Bob mentions that you can get a good price on volleyballs at [juniorvolleyball.com](http://juniorvolleyball.com).

On-line registration – is has been requested that we revamp our system so that it will allow a person to register more than one person at a time (as a couple or a partnership.) Lori will work on it.

Nets – our older nets are trashed. The board votes to purchase 4 more new nets, making our total around 20 for the nice new nets. Larry motions and Annette seconds. The money is in the budget so Lon will purchase right away.

It is discussed to set up a test net with short courts and antenna at a future tournament and allow people to play on it and vote on whether they like it or not. Sundi and Lon will try to set this up for the near future.

The Board takes a moment to recognize and welcome Bob Ward as a new member of the Board.
